Family Portrait Session

\$500.

Session includes:

- 1.5-2 hour session
- Multiple locations, of your choice
- Full Digital collection, with printing rights.
- Bring a pet, no extra charge

How it works

Once you have scheduled, we will have a phone consult. At this time we will choose a location and discuss clothing options. 1-2 weeks after your pictures have been taken, your finished portraits will be delivered in an online gallery.

Print Prices

All finished portraits are color balanced, retouched, removing blemishes, fine lines, and whitening teeth.

| | |
|-------------|-------|
| 1 - 8x10 | 40.00 |
| 1 - 5x7 | 35.00 |
| 1 - 4x6 | 30.00 |
| 8 - Wallets | 30.00 |

Wall Portraits

Each Wall Portrait is retouched, hand finished and given a glazed finish. This archival glazing ensures the life of your portrait and allows you the freedom of non glass framing.

Matte Finish - Mounted to a heavy artboard, glazed UV protection

Metal - Printed onto Metal, the color is rich, the finish is gloss, and is also an archival product.

Canvas - Image printed on Canvas is very lifelike. The larger size the better, stretched over a wooden frame, given a glazed UV protective finish.
