How it works

Once you have scheduled, we will have a phone consult. At this time we will choose a location and discuss clothing options. Two weeks after your pictures have been taken, your preview will be ready. At this appointment we will help you choose your favorite pictures, & use your portrait credit.

Print Prices

All finished portraits are color balanced, retouched, removing blemishes, fine lines, and whitening teeth.

1- 8x10	40.00
1- 5x7	35.00
1- 4x6	30.00
8 - Wallets	30.00

Wall Portraits

Each Wall Portrait is retouched, hand finished and given a glazed finish. This archival glazing ensures the life of your portrait and allows you the freedom of non glass framing.

Matte Finish - Mounted to a heavy artboard, glazed UV protection

Metal - Printed onto Metal, the color is rich, the finish is gloss, and is also an archival product.

Canvas - Image printed on Canvas is very lifelike. The larger size the better, stretched over a wooden frame, given a glazed UV protective finish.
